👉 Spring is here and it's time to get out into the city again. As part of the 'Open Creative Workshop' series of events, the first and last Saturday of the month from 2.00 pm is an opportunity for informal and open work and design. The workshop is suitable for young and old (8 to 101 years).

● 28 May to 2 June 2024

The walk-in petri-dish - collective OS2.24

👉 The OS 2.24 collective is moving its artistic field research to the M26 for a week. In the form of an open-ended scenario, visitors are invited to experience and explore a multi-layered network of ideas and experimental projects. As an oasis of experimentation, 'The Walk-in Petri-Dish' encourages discovery, exchange or even just drifting lingering, opens up unexpected sound spaces and the opportunity to actively participate in artistic processes.

📍 All events take place at M26 in Maximilianstr. 26 in Regensburg!
